

# AGENDA

## OCTOBER 3-4, 2025

### Friday, October 3rd

7:15 - 8:30	Breakfast
FRIDAY MORN	VING THEME: Advances in Antegrade Wiring
7:45 - 8:30	Sponsored Breakfast Symposium
8:30 - 8:45	Welcome Remarks
8:45 - 9:10	Keynote 1
9:10 - 10:40	Live Cases Session 1
	Live Case 1: Complex PCI Live Case 2: CTO Bullet Lecture 1: Where Am I In This Vessel and How Do I Get Where I Want To With IVUS guidance Bullet Lecture 2: Parallel Wiring
10:40 - 11:00	Morning Refreshment Break
11:00 - 12:40	Workshop 1: 3D Angiographic Wiring
	Workshop 2: HD-IVUS CTO Crash Course
	Workshop 3: Dual Lumen Microcatheters
	Workshop 4: Antegrade Knuckling/STAR
	Workshop 5: Impella 101: Access, SHiP, Closure
	Workshop 6: How to Snare and Trap Your Gear
	Workshop 7: OCT-Guided Left Main Bifurcation PCI
	Workshop 8: Retrograde Techniques: Wire Externalization
12:40 - 13:10	Lunch
FRIDAY AFTEI	RNOON THEME: Hemodynamic Support
13:10 - 13:55	Sponsored Lunch Symposium
14:00 - 15:30	Live Cases Session 2
	Live Case 3: Complex PCI Live Case 4: CTO Bullet Lecture 3: Troubleshooting Impella Back in CCU Bullet Lecture 4: Hemodynamic Targets in Shock: Escalation and De-escalation
15:30 - 15:50	Afternoon Refreshment Break
15:50 - 17:30	Workshop 1: 3D Angiographic Wiring
	Workshop 2: HD-IVUS CTO Crash Course
	Workshop 3: Dual Lumen Microcatheters
	Workshop 4: Antegrade Knuckling/STAR
	Workshop 5: Impella 101: Access, SHiP, Closure
	Workshop 6: How to Snare and Trap Your Gear
	Workshop 7: OCT-Guided Left Main Bifurcation PCI
	Workshop 8: Retrograde Techniques: Wire Externalization
19:00 - 22:00	Networking Event

# AGENDA

## OCTOBER 3-4, 2025

### **Saturday, October 4th**

8:00 - 8:45   Sponsored Breakfast Symposium   8:45 - 9:10   Workshop 9: Orbital Atherectomy   Workshop 10: Rotational Atherectomy   Workshop 11: Shockwave with OCT Guidance   Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique   Workshop 13: Approaching the Uncrossable Lesion   Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI)   Workshop 16: Bailing Yourself out of Peripheral Complications   Workshop 11: Debate on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies   Bullet Lecture 8: Crashing Through Calcium in CTO PCI   Workshop 13: Debate on Supported PCI (sponsored by Teleflex)   Workshop 10: Rotational Atherectomy   Workshop 10: Rotational Atherectomy   Workshop 11: Shockwave with OCT Guidance   Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique   Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique   Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents   Workshop 16: Bailing Yourself out of Peripheral Complications   Morkshop 16: Bailing Yourself out of Peripheral Complications   Morkshop 16: Scopping Unwanted Flow: Coils, Plugs, Stents   Workshop 16: Scopping Unwanted Flow: Coils, Plugs, Stents   Workshop 16: Saliding Yourself out of Peripheral Complications   Morkshop 16: Scopping Unwanted Flow: Coils, Plugs, Stents   Workshop 17: Saliding Remarks   Live Case Sc. CCO   University	7:30 - 8:45	Breakfast
8:45 - 9:10 Keynote 2 9:15 - 11:00 Workshop 9: Orbital Atherectomy Workshop 10: Rotational Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications Morning Refreshment Break 11:20 - 11:20 Live Case 5: Complex PCI Live Case 5: Complex PCI Live Case 5: Complex PCI Builet Lecture 5: Debate on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Builet Lecture 6: Creshing Through Calcium in CTO PCI  12:50 - 13:10 Lunch SATURDAY AFTERNOON THEME: Complications 13:10 - 13:55 Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex) Workshop 10: Rotational Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 11: Shockwave with OCT Guidance Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00 Afternoon Refreshment Break Live Case 7: Complex PCI Live Case 8: CTO Buillet Lecture 8: Collateral Damage: My Worst Complication Buillet Lecture 8: Collateral Damage: My Worst Complication	SATURDAY M	ORNING THEME: Calcium
9:15 - 11:00 Workshop 9: Orbital Atherectomy Workshop 10: Rotational Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  11:00 - 11:20 Morning Refreshment Break 11:20 - 12:50 Live Cases Session 3 Live Cases 6: Complex PCI Bullet Lecture 6: Crashing Through Calcium in CTO PCI  12:50 - 13:10 Lunch SATURDAY AFTERNOON THEME: Complications 13:10 - 13:55 Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex) Workshop 10: Rotational Atherectomy Workshop 10: Rotational Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailling Yourself out of Peripheral Complications  15:40 - 16:00 Afternoon Refreshment Break Live Cases 7: Complex PCI Live Cases 8: CTO Bullet Lecture 8: Colleteral Damage: My Worst Complication	8:00 - 8:45	Sponsored Breakfast Symposium
Workshop 10: Rotational Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  11:00 - 11:20 Morning Refreshment Break 11:20 - 12:50 Live Cases Session 3 Live Cases 5: CTO Live Cases 5: CTO Bullet Lecture 5: Debate on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Bullet Lecture 6: Crashing Through Calcium in CTO PCI  12:50 - 13:10 Lunch  SATURDAY AFTERNOON THEME: Complications 13:10 - 13:55 Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex) Workshop 9: Orbital Atherectomy Workshop 10: Rotational Atherectomy Workshop 10: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailling Yourself out of Peripheral Complications  15:40 - 16:00 Afternoon Refreshment Break Live Case 5: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication	8:45 - 9:10	Keynote 2
Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  11:00 - 11:20 Morning Refreshment Break 11:20 - 12:50 Live Case Scoon 3 Live Case Scoon 3 Live Case Scoon 3 Live Case Scoon 1 Live Case Scoon 4 Live Case Scoon 5 Live Case Scoon 4 Live Case Scoon 5 Live Case Scoon 5 Live Case Scoon 6 Live Case Scoon 6 Live Case Scoon 7 Live Case Scoon 8 Live Case Scoon 4 Live Case Scoon 8 Live Case Scoon 9 Live	9:15 - 11:00	Workshop 9: Orbital Atherectomy
Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  11:00 - 11:20  Morning Refreshment Break  Live Cases Session 3  Live Cases 5: CTO Live Case 5: CTO Live Case 6: Complex PCI Bullet Lecture 5: Debate on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Bullet Lecture 6: Crashing Through Calcium in CTO PCI  12:50 - 13:10  Lunch SATURDAY AFTERNOON THEME: Complications  13:10 - 13:55  Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex)  Workshop 9: Orbital Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 11: Shockwave with OCT Guidance Workshop 13: Approaching the Uncrossable Lesion  Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00  Afternoon Refreshment Break  Live Case 7: Complex PCI Live Case 8: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication		Workshop 10: Rotational Atherectomy
Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  11:00 - 11:20 Morning Refreshment Break  11:20 - 12:50 Live Case Session 3 Live Case 6: Complex PCI Bullet Lecture 5: Debate on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Bullet Lecture 6: Crashing Through Calcium in CTO PCI  12:50 - 13:10 Lunch  SATURDAY AFTERNOON THEME: Complications  13:10 - 13:55 Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex) Workshop 9: Orbital Atherectomy Workshop 10: Rotational Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00 Afternoon Refreshment Break Live Case 3: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Colleteral Damage: My Worst Complication		Workshop 11: Shockwave with OCT Guidance
Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  11:20 - 11:20 Morning Refreshment Break Live Case 5: CTO Live Case 5: CTO Live Case 6: Complex PCI Builet Lecture 6: Octable on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Builet Lecture 6: Octable on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Builet Lecture 6: Octable on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Builet Lecture 6: Octable on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Builet Lecture 6: Octable on Balloon-Based Vs. Atherectomy-Based Calcium Modification Strategies Builet Lecture 6: Octable on Balloon-Based Vs. Atherectomy-Based Calcium Modification Strategies Builet Lecture 8: Consplications  12:50 - 13:10  Lunch Morkshop 17: Stopping Unvalidation Protection Systems and How to Get Them Funded Builet Lecture 7: Contemporary Badiation Protection Systems and How to Get Them Funded Builet Lecture 8: Collateral Damage: My Worst Complication		Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique
Workshop 15: Stopping Unwanted Flow: Coils, Pluys, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  11:20 - 11:20  Morning Refreshment Break  Live Case Session 3  Live Case 5: C70  Live Case 6: Complex PCI Builet Lecture 5: Debate on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Builet Lecture 6: Crashing Through Calcium in CTO PCI  12:50 - 13:10  Lunch  SATURDAY AFTERNOON THEME: Complications  13:10 - 13:55  Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex)  Workshop 9: Orbital Atherectomy  Workshop 10: Rotational Atherectomy  Workshop 11: Shockwave with OCT Guidance  Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique  Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI)  Workshop 15: Stopping Unwanted Flow: Coils, Pluys, Stents  Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00  Afternoon Refreshment Break  Live Case 7: Complex PCI Live Case 8: C70  Builet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Builet Lecture 8: Collateral Damage: My Worst Complication		Workshop 13: Approaching the Uncrossable Lesion
Workshop 16: Bailing Yourself out of Peripheral Complications  11:20 - 11:20  Morning Refreshment Break  Live Cases Session 3  Live Case 5: CTO Live Case 6: Complex PCI Bullet Lecture 6: Crashing Through Calcium in CTO PCI  12:50 - 13:10  Lunch  SATURDAY AFTERNOON THEME: Complications  13:10 - 13:55  Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex)  Workshop 9: Orbital Atherectomy Workshop 10: Rotational Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00  Afternoon Refreshment Break Live Case Session 4  Live Case 7: Complex PCI Live Case 8: CTO Bullet Lecture 8: Collateral Damage: My Worst Complication		Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI)
11::00 - 11:20		Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents
11:20 - 12:50  Live Cases Session 3  Live Case 6: Complex PCI Bullet Lecture 5: Debate on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Bullet Lecture 6: Crashing Through Calcium in CTO PCI  12:50 - 13:10  Lunch  SATURDAY AFTERNOON THEME: Complications  13:10 - 13:55  Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex)  Workshop 9: Orbital Atherectomy  Workshop 10: Rotational Atherectomy  Workshop 11: Shockwave with OCT Guidance  Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique  Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI)  Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents  Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00  Afternoon Refreshment Break  Live Cases Session 4  Live Cases: Complex PCI Live Case 8: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication		Workshop 16: Bailing Yourself out of Peripheral Complications
Live Case 5: CTO Live Case 6: Complex PCI Bullet Lecture 5: Debate on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Bullet Lecture 6: Crashing Through Calcium in CTO PCI  12:50 - 13:10 Lunch  SATURDAY AFTERNOON THEME: Complications  13:10 - 13:55 Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex)  Workshop 9: Orbital Atherectomy Workshop 10: Rotational Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  Afternoon Refreshment Break Live Case Session 4  Live Case 7: Complex PCI Live Case 8: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication	11:00 - 11:20	Morning Refreshment Break
Live Case 6: Complex PCI Bullet Lecture 5: Debate on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies Bullet Lecture 6: Crashing Through Calcium in CTO PCI  12:50 - 13:10 Lunch  SATURDAY AFTERNOON THEME: Complications  13:10 - 13:55 Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex)  Workshop 9: Orbital Atherectomy Workshop 10: Rotational Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00 Afternoon Refreshment Break Live Case Session 4 Live Case 7: Complex PCI Live Case 8: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication	11:20 - 12:50	Live Cases Session 3
13:10 - 13:55		Live Case 6: Complex PCI Bullet Lecture 5: Debate on Balloon-Based vs. Atherectomy-Based Calcium Modification Strategies
13:10 - 13:55  Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex)  Workshop 9: Orbital Atherectomy  Workshop 10: Rotational Atherectomy  Workshop 11: Shockwave with OCT Guidance  Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique  Workshop 13: Approaching the Uncrossable Lesion  Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI)  Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents  Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00  Afternoon Refreshment Break  Live Case Session 4  Live Case 7: Complex PCI Live Case 8: CTO  Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication	12:50 - 13:10	Lunch
14:00 - 15:40  Workshop 9: Orbital Atherectomy  Workshop 10: Rotational Atherectomy  Workshop 11: Shockwave with OCT Guidance  Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique  Workshop 13: Approaching the Uncrossable Lesion  Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI)  Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents  Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00  Afternoon Refreshment Break  Live Cases Session 4  Live Case 7: Complex PCI Live Case 8: CTO  Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication	SATURDAY AF	TERNOON THEME: Complications
Workshop 10: Rotational Atherectomy Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00 Afternoon Refreshment Break Live Cases Session 4  Live Case 7: Complex PCI Live Case 8: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication	13:10 - 13:55	Lunch Symposium: Debate on Supported PCI (sponsored by Teleflex)
Workshop 11: Shockwave with OCT Guidance Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00 Afternoon Refreshment Break Live Cases Session 4  Live Case 7: Complex PCI Live Case 8: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication	14:00 - 15:40	Workshop 9: Orbital Atherectomy
Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique  Workshop 13: Approaching the Uncrossable Lesion  Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI)  Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents  Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00 Afternoon Refreshment Break  Live Cases Session 4  Live Case 7: Complex PCI Live Case 8: CTO  Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded  Bullet Lecture 8: Collateral Damage: My Worst Complication		Workshop 10: Rotational Atherectomy
Workshop 13: Approaching the Uncrossable Lesion Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI) Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00 Afternoon Refreshment Break  Live Cases Session 4  Live Case 7: Complex PCI Live Case 8: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication		Workshop 11: Shockwave with OCT Guidance
Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI)  Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents  Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00		Workshop 12: Bifurcation PCI Simulator: Jailed Balloon Technique
Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00 Afternoon Refreshment Break  16:00 - 17:30 Live Cases Session 4  Live Case 7: Complex PCI Live Case 8: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication		Workshop 13: Approaching the Uncrossable Lesion
Workshop 16: Bailing Yourself out of Peripheral Complications  15:40 - 16:00		Workshop 14: Ultra-Low Contrast IVUS-Guided PCI (ULCPCI)
15:40 - 16:00  Afternoon Refreshment Break  Live Cases Session 4  Live Case 7: Complex PCI Live Case 8: CTO  Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication		Workshop 15: Stopping Unwanted Flow: Coils, Plugs, Stents
16:00 - 17:30  Live Cases Session 4  Live Case 7: Complex PCI Live Case 8: CTO  Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication		Workshop 16: Bailing Yourself out of Peripheral Complications
Live Case 7: Complex PCI Live Case 8: CTO Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded Bullet Lecture 8: Collateral Damage: My Worst Complication	15:40 - 16:00	Afternoon Refreshment Break
Live Case 8: CTO  Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded  Bullet Lecture 8: Collateral Damage: My Worst Complication	16:00 - 17:30	Live Cases Session 4
17:30 - 17:40 Concluding Remarks		Live Case 8: CTO  Bullet Lecture 7: Contemporary Radiation Protection Systems and How to Get Them Funded
· ·	17:30 - 17:40	Concluding Remarks
